Dear Mr. Brock,

Thank you for taking to time to speak with myself and Dave O'Hara yesterday. We are pleased that we were able to clarify for you Snyder Brothers involvement in the Nichols Run Road lease matter. In response to your request for information (SDWA-UIC-IR-14-041) dated August 15, 2014, BDH plugged all wells in question under state permit, which we discussed in yesterday's telephone conversation. As discussed, all associated plugging paperwork should be readily available to you from the state. We are hopeful this response satisfies your request for information from Snyder Brothers.

Sincerely,

Bryan K. Snyder  
Vice-President
